**Setting:** Could be anywhere—bleachers at a sports event, bus stop or anywhere people sit and wait

**Scene:** One person is sitting and waiting. She pulls out a copy of *Horizons*. (I suggest the latest copy to make it timely.)

Person 1 (P1): Opens issue and starts reading.

Person 2 (P2): Enters and sits down next to P1 on the right. Looks over P1's shoulder and nonchalantly starts reading.

Person 3 (P3): Comes in and sits behind P1, looks at watch, looks over P1's shoulder and starts reading.

Person 4 (P4): Comes in and sits down next to P1 on the left. Looks back at P3, looks over at P2, looks over P1's shoulder and begins to read.

P1: turns magazine pages and shakes head back and forth while reading the magazine.

P2: Shakes head back and forth while reading over P1's shoulder.

P3: Mimics P2.

P4: Mimics P2.

P1: Turns page, crosses legs and smiles while reading magazine

P2: Crosses legs and smiles while reading magazine.

P3: Mimics P2.

P4: Mimics P2.

P1: Turns page and laughs aloud.

P2: Looking at magazine, laughs aloud.

P1: Startled, looks at P2, still holds magazine open in clear view of P3.

P3: Looking at magazine, laughs aloud.

P1: Turns to stare at P3, still holds magazine open in clear view of P4.

P4: Leans over for a better look and laughs aloud.

P1: Turns to look at P4.

P 2, 3 and 4 stop looking at *Horizons* and smile at P1. In unison, they hold out their right hands and say,

**“Are you finished with that?”**

P1: In disbelief, shakes head. Takes subscription forms from inside *Horizons* and hands them to P 2, 3 and 4 and says,

**“Please get your own copy!”**
